

SEA TOO GOOD FOR  
FRITZ TO SPIT IN IT

PARIS, Feb. 11.—The best story says a copyrighted cable dispatch to the New York World today, the peace conference has brought out this:

When the German fleet surrendered to the British, American and French squadrons the captive crews were taken aboard British battleships. One big round-headed German was plainly disgusted with the way things had gone and showed it.

Walking up to a group of British sailors he spat overboard and said:

"That's what I think of your verdammt fleet, and as for Admiral Beatty, why?"—and he spat over the rail again. Then he spat a third time by way of expressing his opinion of the whole British nation.

As he finished, a big British sailor hit him on the back and said:

"Look here, Fritz! You can say what you please about the English fleet—and act as you wish toward Admiral Beatty—and think what you want about the British. But you see damn well careful whose ocean you go spitting into!"

The story goes big over here and biggest with the English.

EDISON, 72 TODAY,  
DENIES HE IS OLD

NEW YORK, Feb. 11.—Celebrating his seventy-second birthday today Thomas A. Edison is on his way to Fort Myer, Fla., where he will spend a six weeks' vacation, his first since this country entered the war.

Yesterday Edison stretched an arm out in front of him at right angles to his body and kicked with each foot in turn until his toes touched his fingertips.

"Now I dare anyone to say I am old," said the inventor to men who had assembled here from all parts of the country to congratulate him on attaining another anniversary. Mr. Edison said he never had felt in better physical condition.

BONE FROM HIS LEG  
GRAFTED ON SPINE

LONDON, Feb. 11.—Robert Thornton, former private in the British army, just been cured of curvature of the spine by having a piece of bone from his left leg, grafted to his spine.

He had been discharged from an army hospital as incurable. He was paralyzed and had to be wheeled about in a chair.

Then the operation was performed and after five weeks in the hospital Thornton is now working.

YANK CANDY CAR WRECKED;  
GERMAN CHILDREN OVEREAT

TRIER, Prussia, Feb. 11.—A carload of chocolate filled to the brim by the American army of occupation was wrecked near Trier recently and several German children of families living nearby ate such quantities of the sweets that doctors had to be called in to treat them.

Many of the children had never tasted chocolate before, this form of candy being among the luxuries of Germany during the war, and before the American salvage crews got to work the youngsters had consumed their fill.

ELIMINATION OF LUXURY  
TAXES URGED IN PETITIONS

Senator Lodge of Massachusetts and Senator Smoot of Utah this afternoon presented voluminous petitions urging that the 10 per cent luxury taxes in the revenue bill be stricken out.

"They are excessive taxes," Lodge said. "They were put in by the House only as a measure of war taxation. The Senate in its wisdom voted, however, to make these taxes applicable to the peace period. The only way we can now strike them out is by joint resolution."

MORE CONTRIBUTIONS TO

The District's quota of the Palestine relief fund is \$250 richer today as a result of contributions given at a meeting of the Washington Zionist Circle in the Y. M. H. A. last night. Adolph Kahn contributed \$150 and David Rosenthal \$100.

Emile Berliner and Israel Brodie were the speakers. Mr. Brodie, a member of the national executive committee of the Zionist Organization of America, lectured on Palestine.
